Minutes approved

Agenda approved

Old business:

Discussion of master plan on going

The need to have the Township Board sign the contract with our consultant Rick at the next board meeting Wed, Oct 14.

Read and comment on the questionnaires to be sent to tax payers in the next tax bill. With a copy to each board member.

New business:

Who supervises zoning and how can we get funds budgeted for that job.

Two names for the zoning board of appeals:

Jeff Parent.

Randy Pierce

Member Coments: There was a concenses that having a strong zoning administrator is crucial to Bois Blanc and it's future development . Also discussed were the issues of recycling,the west end park,the river property and it's development and developing more comercial property on the Island and working these issues into the master plan.

Public comment: Beth Beasom gave us a wave
