Parks and Recreation Committee

August 11, 2022

Bois Blanc Township Hall

Present: Committee members – Diane Akright, Ginger Canup, and Missy Phillips

Also in attendance were property owners from the Snow Beach area.

Meeting was called to order by Ginger Canup at 4:30pm

Minutes

Ginger called for a motion to approve minutes from the July meeting. Motion was seconded and passed unanimously.

Old Business

Properties

General updates were given on all P&R projects, (Bright Water Park, N Shore outhouse, Liedel Landing/Lake Mary Parking, & Nichols Point.

Many questions were answered regarding the Nichols Point property in particular. Concerns from property owners were discussed. We believe this project would actually be good for the island community as a whole and should help relieve some of the congested use at Snow Beach by the end of Ionia.

Fundraising

We currently have no submissions for the logo contest. We do however have 15 entries to date for the photo contest. Our presence at the Farmers Market has helped to gain interest into Parks & Rec and the projects we are working on.

Ginger's daughter will host a tie dye Shirt event at the Market Labor Day weekend as a fundraiser for P&R.

We also discussed a possible "Commemorative Gift Program". Ways for people to possibly donate in memory of someone toward something specific for P&R, like Benches, Picnic tables, Landscaping etc.
