RE: TRANSFER STATION BAG PROGRAM

DATE: April 15, 2023

We believe the bag program has been beneficial and well received by all Bois Blanc Township Property Owners and are pleased to continue the program for 2023.

In the past we have allowed for a representative to pick up anyone's "free" trash bags as long as they sign for the bags. However, last year we had a number of instances where a property owner came to pick up their bags, only to find they had already been received.

Due to these conflicts, it will now be the policy that **a representative can only pick up bags for another with a signed permission to act on the property owner's behalf.**

We are sorry for any inconvenience this may cause, but hope you understand our position.
