KIDS FISHING CONTEST

Calling all kids!!!! Anyone 16 years old or younger that shares photos of their catch on BBI will receive a coupon for one free ice cream scoop at The Outpost. No fishing license is required for children 16 years of age or under.

On either day, **Saturday, August 23 or Sunday, August 24** simply stop by the Bois Blanc Island Township Hall between 12pm and 2pm, show us your picture taken on that day, and boom! A Parks & Rec attendee will give you your ice cream voucher to redeem at The Outpost. Getcha some of that delicious ice cream.

There are fantastic fishing docks both at Thompson Lake and Lake Mary. Rod holders and picnic tables. Wide variety of fish in both and the scenery is sublime. Incredible wilderness lakes.

The Outpost (outpostbbi.com) will be sponsoring the ice cream for the kids' contest. We are grateful for their generous sponsorship in this community event.

Pictures will be available on the BBI Facebook page and at boisblanctownship.org under menu tab Parks & Recreation.
